I hereby invite your kind attention for the references above cited.

With reference to the Government letter 2<sup>nd</sup> cited, I hereby inform that Atal Innovation Mission has launched its flagship Innovation Challenge for school children of India – The Atal Tinkering Lab (ATL) Marathon. The ATL Marathon is a national level innovation challenge, where students identify community problems of their choice and develop innovative solutions in the form of working prototypes. Refer the enclosed document for more details. The link for participating in this programme is <https://innovate.mygov.in/atl-marathon-2021/> and the last date for participation is 06.03.2022.

C(5)  
M.A.S

Hence, All the Chief Educational Officers are hereby informed to provide necessary instructions to the schools to encourage the school students to participate in large numbers.

Joint Director (Secondary)
