

Greetings from CSIR – CECRI, Karaikudi!

CSIR – CECRI is organizing various programmes for KVs, Govt. / Govt. aided, ATL and private schools' students & teachers at our institute since last 5 years under JIGYASA. We are very much thankful to you for your unstinting and continuous support for these programmes.

CSIR – CECRI is celebrating 75th Foundation Day on 25th July 2022. To commemorate this platinum jubilee celebration, it is proposed to adopt 75 schools and 75 students from various districts of Tamil Nadu. The selected schools and students will be announced during 75th Foundation Day function scheduled to be held on 25th July 2022. The selected schools and students will have the opportunity to participate in various jigyasa activities like motivation training programme, Teachers' workshop, Science and Mathematics Club, one day visit, popular lecture series, demo programmes, IISF, exhibition, summer programme, micro projects, science communication programme etc., Further the adopted students will be trained in the field of electrochemical science and technology by the eminent scientists of CSIR-CECRI for the duration of one year from July 2022 – June 2023 during their free time. The selection will be based on the criteria mentioned in the attached proforma.

Deputy Commissioner of KVs, RO, Chennai may kindly circulate the information to all the schools along with the attached proforma for adoption of schools and students.

The last date for the submission of proforma : 22.04.2022 (Friday) upto 5 pm

- Encl: 1. Proforma for selection of schools
2. Proforma for selection of students
