TAMILNADU SCHOOL HOCKEY LEAGUE

Fueling Futures: Grassroots Hockey Unleashed!

About TSHL

The Tamil Nadu School Hockey League (TSHL) is a pioneering statewide event, happening for the first time in India. Our vision is to revolutionize grassroots hockey in Tamil Nadu by integrating global standards into local training. Through our Grassroots Development Committee, we aim to provide top-notch facilities and coaching camps across districts, tracking player progress from U17 onwards. Zonal championships will elevate player pride and skill levels, promising to raise the sport's standard and passion at junior and sub-junior levels. TSHL promotes participation from over 5,000 players, representing 300+ schools, competing in 500+ matches across 45 venues.

Our program endeavours to:

- Identify talented players from all six zones of Tamil Nadu:
Chennai, Vellore, Trichy, Madurai, Thoothukudi, Ramanathapuram
- Offer competitive experience to enhance teamwork and skill development.
- Facilitate pathways to progress by opening doors to higher-level competitions and scholarship opportunities.

Dedicated selection committees, consisting of at least three members each, will collaborate closely with zonal coaches to oversee and track player progression.

By participating in this league, players will gain significant exposure, access to advanced training resources, and the opportunity to showcase their talents on a larger stage.

TSHL also ensures that teams receive top-notch facilities and kits, along with accommodation, stay, and food throughout the league matches, providing comprehensive support for the entire team.
